## Benefit Summary

This listing is designed to give you a brief description of the current benefits offered to colleagues by Aultman Health Foundation.

BENEFIT

BRIEF DESCRIPTION

HEALTH CARE

Aultman offers three health care plans through AultCare, a preferred provider organization. Coordination of benefits is required when electing coverage. Spouses who are offered health care coverage through their employers must elect that coverage and may be secondary on your health plan. Each plan covers approved expenses after the deductible is met. Pharmacy coverage is included in each health care plan.

VISION CARE

Coverage is offered through VSP and includes yearly exams and lenses/frames or contacts once every calendar year, at an approved dollar amount.

DENTAL

Colleagues have a choice between 2 dental plans. Coverage includes preventive, basic and major services. Orthodontia is available for adults and children.

FLEXIBLE SPENDING

This is a voluntary program program that you may elect if you choose Health Plan 1, Health Plan 3 or waive health plan coverage. This allows colleagues to set aside pre-tax dollars to pay for dependent care and out-of-pocket medical expenses, such as deductibles, coinsurance, prescription copays and expenses not covered for orthodontia, dental and vision.

HEALTH SAVINGS ACCOUNT

This is a voluntary program that you may elect if you choose Health Plan 2. This allows colleagues to set aside pre-tax dollars to pay for out-of-pocket medical expenses, such as deductibles, coinsurance, prescription copays and expenses not covered for orthodontia, dental and vision.

ADOPTION

The adoption benefit supports our colleagues who decide on this route as a way to start or expand their families. A taxable allowance of \$4,000 will be granted as a one-time lump sum amount to eligible colleagues.

IN-VITRO

Aultman supports colleagues who choose in-vitro fertilization as a way to start or expand their families. Aultman may provide a monetary benefit for eligible candidates to assist with the cost of IVF. See the Human Resources Department for details.

PTO

All colleagues earn paid time off (PTO) to use when enjoying time away from work. PTO time is accrued on hours paid, with the exception of overtime and sick reserve hours paid. Vacation, holiday and the first 4 days (32 hours) of any sick occurrence are paid from the PTO bank. Accrual rate is based on years of employment.

Years of Employment	Rate	Hours accrued annually assuming 1.0 FTE
0-6 years	.0886	184.288
7-13 years	.1078	224.224
14+	.127	264.16

Annual rollover max is 184 hours.

SICK RESERVE

Colleagues earn sick reserve time to use when they need to be off due to their own illness. Sick reserve is accrued on hours paid, with the exception of overtime and sick reserve hours paid. Hours may be used for any sick occurrence that is more than 4 days. This bank may also be used to pay the first 4 days of a sick occurrence if there is not enough PTO bank to cover the 4 days.

Annual rollover max is 720 hours.
