

Volunteer Services COVID -19 2021

The Aultman Mission

Leading our community to improved health.

Welcome Back Aultman Volunteers

Guidelines for Safe Return

01

Volunteers must be COVID symptom free and pass the health and symptom screening at the hospital entrances each time they volunteer

02

Complete mandatory yearly education upon return including COVID education and signing waiver/volunteer acknowledgement

03

Volunteers will be placed in areas determined to be at low risk for exposure to COVID. This may mean a change in position duties or temporary placement in a new volunteer role

How to Safely Wear and Take off a Cloth Face Covering

How to Safely Wear and Take Off a Cloth Face Covering

Accessible: https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/dly-cloth-face-coverings.html

WEAR YOUR FACE COVERING CORRECTLY

- · Wash your hands before putting on your face covering
- · Put it over your nose and mouth and secure it under your chin
- Try to fit it snugly against the sides of your face
- Make sure you can breathe easily
- Do not place a mask on a child younger than 2

USE THE FACE COVERING TO HELP PROTECT OTHERS

- Wear a face covering to help protect others in case you're infected but don't have symptoms
- · Keep the covering on your face the entire time you're in public
- · Don't put the covering around your neck or up on your forehead
- · Don't touch the face covering, and, if you do, clean your hands

TAKE OFF YOUR CLOTH FACE COVERING CAREFULLY, WHEN YOU'RE HOME

- · Untie the strings behind your head or stretch the ear loops
- · Handle only by the ear loops or ties
- · Fold outside corners together
- · Place covering in the washing machine
- · Wash your hands with soap and water

Cloth face coverings are not surgical masks or N-95 respirators, both of which should be saved for health care workers and other medical first responders.

For instructions on making a cloth face covering, see:

Arriving for Volunteer Shift

 Please make sure you are wearing your mask upon entry to the building

Aultman Hospital / Canton

• Enter the hospital through the 7th Street entrance or Bedford entrance for screening. You will be asked a couple of health questions and have your temperature scanned.

Aultman Alliance

• When reporting to volunteer, please enter only through the Main Lobby. You will need to be screened at the screening station before coming to the Volunteer office to clock in.

Aultman Orrville

• Enter the hospital through the Main Street entrance for screening. You will go to the screening kiosk and have your temperature taken.

Entering / Exiting Volunteer Services

Aultman Hospital and Aultman Orrville

- We have established a one-way traffic flow in the volunteer lounge. Please enter the door that is marked "Enter here."
- If others are already in the volunteer lounge practice social distancing and wait in the hallway if necessary . Limit of 2 volunteers to volunteer lobby at a time.

Aultman Alliance

• Due to social distancing, there is max capacity of 2 volunteers allowed in the volunteer office at any given time. If others are already in the volunteer office, please wait in the hallway.

Signing in and Out

- **Step 1**: Apply hand sanitizer BEFORE touching Logistics screen
- Step 2: Sign in on Volgistics
- Step 3: Please use a sanitizer wipe and clean computer screen and mouse after you sign in

Maintain 6 feet distance from others and keep your mask on

Reporting to Your Position

 Upon arrival to your workstation, put on one glove and use disinfectant wipe to sanitize your surroundings, including phone, computer and desk

Hand Hygiene

• The single most important thing you can do to prevent the spread of COVID -19 is to wash your hands.
