Aultman's 15th Annual Careers in Healthcare Summer Symposium

A **free** summer learning program designed for current college students, 2026 high school graduates and high school students ages 16 and over.

- ✓ Learn about opportunities and challenges in healthcare careers
- ✓ Talk one-on-one with healthcare professionals
- ✓ Participate in hands-on activities
- ✓ Tour the hospital

Lunch is provided. Opportunities are available to observe healthcare professionals in a hospital setting later in the summer.

Register online by June 4, 2026, at aultman.org/summersymposium

The summer program is free for all participants, sponsored by the Aultman Department of Medical Education and supported in part by a grant from the Canton Regional Area Health Education Center (Canton Regional AHEC).

Clinical Observation Opportunities

July 7 - 31, 2026

Participants in the Symposium and Career Fair are encouraged to attend two half-day clinical observation experiences, followed by a post-observation wrap-up session (July 16 or July 30).

Observation may include areas such as:

- Laboratory
- Nursing
- Nutrition Services
- Occupational Therapy
- Physical Therapy
- Pharmacy
- Physicians
- Radiology

Requirements for Clinical Observation:

1. Register online and complete all required paperwork.
2. Attend the June 11 Symposium and Career Fair.
3. Be at least 16 years of age.
4. Be available to attend one of the post-observation sessions (July 16 or July 30).
5. Follow the Aultman dress code (scrubs or business casual) and Code of Conduct during your observation.

Registration Deadline:
June 4, 2026
