Conference Agenda **Saturday, Nov. 2, 2024**

7:15 – 8 a.m.

Check-in/Registration

8 – 8:05 a.m.

Welcome & Opening Remarks, Club Lounge

Sabrina Shilad, M.D., FACS, Assistant Medical Director of Cancer Services, Aultman Hospital

8:05 – 8:50 a.m.

Early Cancer Detection: Past, Present, & Future

Jordan Winter, M.D., MBA, FACS, University Hospitals

8:50 – 9:30 a.m.

Disparities in Breast Care

Zahraa AlHilli, M.D., MBA, Cleveland Clinic Foundation

9:30 – 9:45 a.m.

Break

9:45 – 10:30 a.m.

Melanoma Surgery in the Era of Effective Systemic Therapies

Luke Rothermel, M.D., MPH, University Hospitals

10:30 – 11:15 a.m.

Adopting Technologies in Head & Neck Oncology & Reconstructive Surgeries

Rod Rezaee, M.D., FACS, University Hospitals

Transoral Robotic Surgery: Integrating the Latest Technology into Head & Neck Cancer Care

Madelyn Stevens, M.D., University Hospitals

11:15 – Noon

Brunch/Exhibits

Noon – 12:45 p.m.

Healthy Lifestyle Considerations for Cancer

Jessica Ruff, M.D., MA, MSPH, Cleveland Clinic Foundation

12:45 – 1:30 p.m.

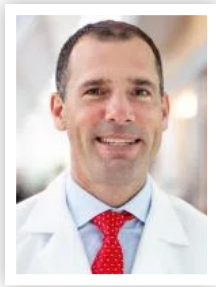

Surgery for Lung Cancer: Who & How?

Leonidas Tapias, M.D., University Hospitals

NOTE: Each topic will include five-minute Q&A following presentation

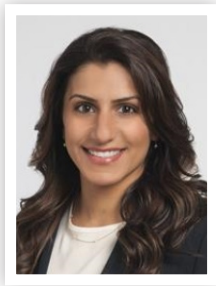

Faculty

Jordan Winter, M.D., MBA, FACS

- Director, Surgical Services, UH Seidman Cancer Center
- Division Chief, Surgical Oncology, UH Cleveland Medical Center
- Professor, Department of Surgery, Case Western Reserve University School of Medicine
- Co-Director, Developmental Therapeutics Program, Case Comprehensive Cancer Center

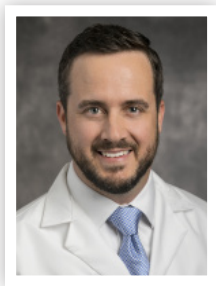

Early Cancer Detection: Past, Present & Future

Zahraa AlHilli, M.D., MBA

- Breast Surgeon
- Interim Director of the Breast Center
- Co-Director of the Comprehensive Breast Program
- Cleveland Clinic Foundation

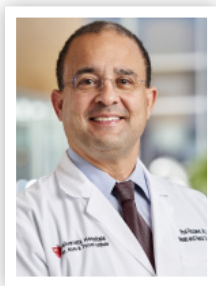

Disparities in Breast Care

Luke Rothermel, M.D., MPH

- Chief, Section of Soft Tissue & GI Surgery
- Division of Surgical Oncology, University Hospitals Cleveland Medical Center
- Assistant Professor of Surgery, Case Western Reserve University School of Medicine

Melanoma Surgery in the Era of Effective Systemic Therapies

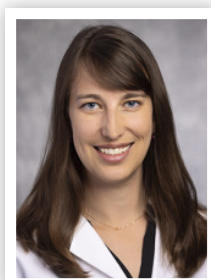

Rod Rezaee, M.D., FACS

- Director, Head & Neck Surgical Oncology & Reconstruction
- Medical Director, S5 Surgical Oncology Unit
- Disease Team Leader, Head & Neck Oncology
- Ear, Nose and Throat Institute, University Hospitals Cleveland Medical Center/ Seidman Cancer Center
- Professor, Otolaryngology - Head & Neck Surgery, Case Western Reserve University School of Medicine

Adopting Techniques in Head & Neck Oncology & Reconstructive Surgeries

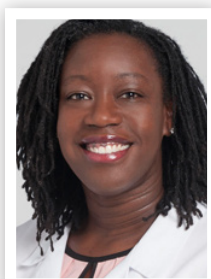

Faculty

Madelyn Stevens, M.D.

- Assistant Professor, Head & Neck Oncology & Microvascular Surgery
- Ear, Nose and Throat Institute, University Hospitals Cleveland Medical Center

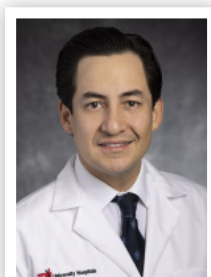

Transoral Robotic Surgery: Integrating the Latest Technology into Head & Neck Cancer Care

Jessica Ruff, M.D., MA, MSPH

- Staff Physician, Cleveland Clinic, Preventive Medicine
- Site Director, Case Western Reserve Clinical Informatics Fellowship
- Wellness Physician Informaticist
- Information Technology Medical Director Patient Journey

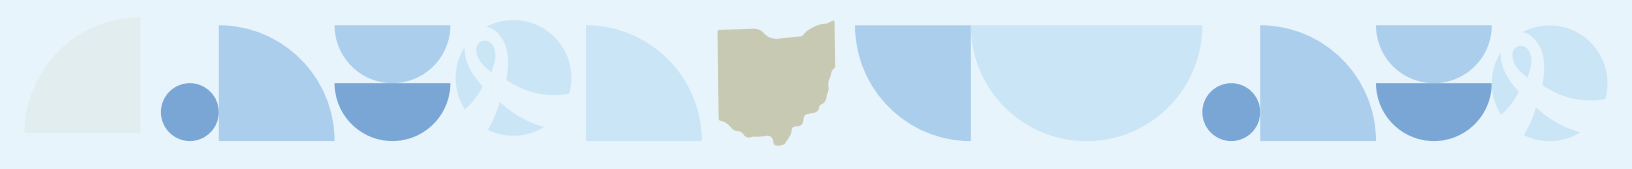

Healthy Lifestyle Considerations for Cancer

Leonidas Tapias, M.D.

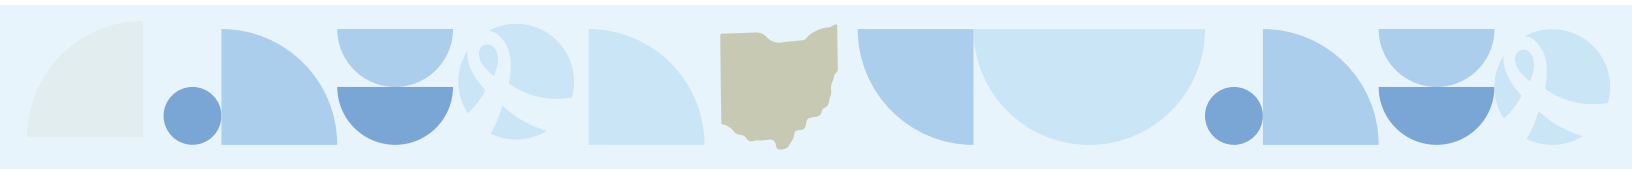

- Division of Thoracic & Esophageal Surgery, University Hospitals Cleveland Medical Center
- Professor, Case Western Reserve University School of Medicine

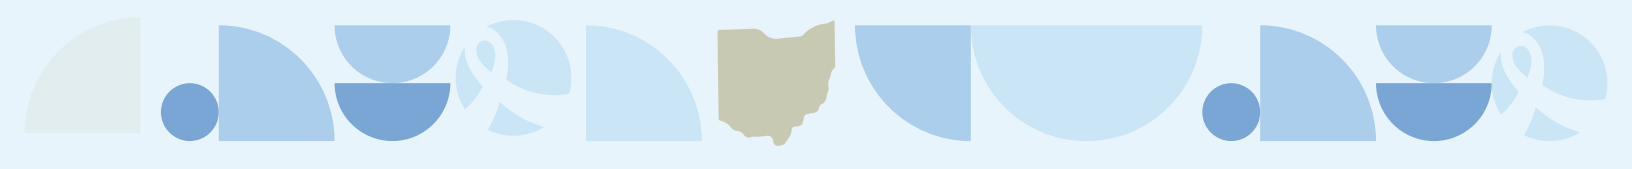

Surgery for Lung Cancer: Who & How?

Objectives

- Understand the current state of validated screening tests for cancer.
- Understand the impact of early cancer detection.
- Understand the concept of multi-cancer early detection tests.
- Understand the impact of biology & genetics on breast cancer disparities.
- Discuss breast cancer disparities related to screening, prevention & treatment.
- Identify actions to reduce disparities in breast cancer.
- Understand past data that led to surgical de-escalations in the contemporary management of melanoma.
- Discuss the standard systemic melanoma treatments & how they have impacted surgical care.
- Consider ongoing efforts to further personalize melanoma surgery.
- Understand the new technologies available to help treat head & neck cancer patients.
- Better understand strategies involved in adopting new technologies.
- Better understand the concepts of value-based medicine.
- Understand the fundamentals of transoral robotic surgery.
- Recognize potential for appropriate integration of transoral robotic surgery for treatment of certain head & neck cancers.
- Describe the evidence for lifestyle medicine in cancer care.
- Explain the role of lifestyle changes in prevention & treatment of cancer.
- Understand the importance of early lung cancer detection through screening.
- Identify candidates for lung screening.
- Discuss staging and diagnosis in lung cancer.
- Review surgical treatment options for lung cancer.

Target Audience

This symposium is designed for medical, surgical and radiation oncologists, hematologists, radiologists, pathologists, surgeons, gynecologists, clinical genetic physicians, primary care physicians, internal medicine physicians, medical residents, medical students, physician assistants, advance practice nurses, radiation therapists, oncology nurses and any health care professionals who are interested in current topics in cancer care, prevention and treatment.

Study References

Faculty presentations will be available on the conference website for download or print.

Special Needs Statement

Aultman Hospital is committed to making its activities accessible to all individuals. If you are in need of special accommodations due to a disability, please notify the Aultman Cancer Center at 330-363-5321 no later than four days prior to the event.

Speaker Disclosure Statement

Disclosure of faculty relationships will be made known at the activity.

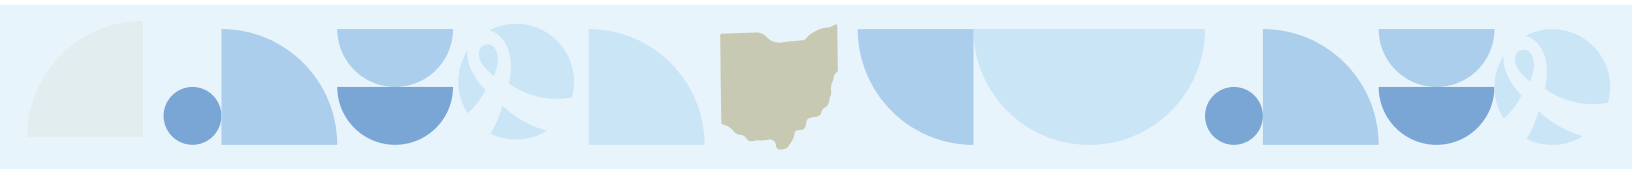

Commercial Support

Commercial relationships will be made known at the activity.

CME Credits

Aultman Hospital is accredited by the Ohio State Medical Association, in accordance with the Accreditation Council for Continuing Medical Education, to provide continuing medical education for physicians. Aultman Hospital designates this live activity for a maximum of 4.40 AMA PRA Category 1 Credits™. Only the credit commensurate with the extent of participation in this activity should be claimed.

REQUEST FOR MDCB credit submitted. All MDCB-approved activities are approved for ARRT Category A credits.

Applying for Credit & Certificate of Participation

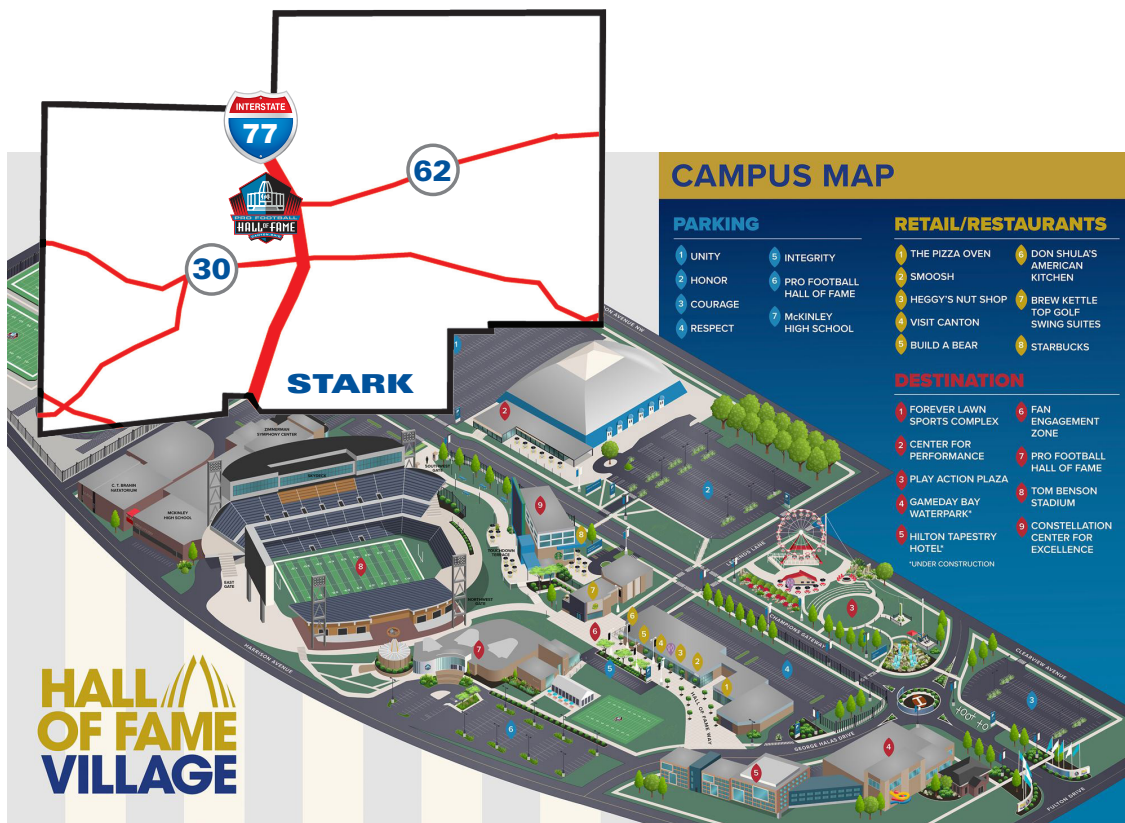

Participants claiming credit must sign in upon arrival and may submit their request online on the program website. An online link will also be provided at the activity. A Certificate of Participation will be emailed to you upon verification of attendance.

Technical Support

For administrative or technical support, please contact Kerri Mowrer at 330-363-5321 or kerri.mowrer@aultman.com.
