# AULTMAN

# Get the RIGHT CARE at the RIGHT PLACE and the RIGHT TIME.

## ✚ URGENT CARE

Visit an urgent care center for minor illnesses or injuries when your primary care provider is not available. Urgent care centers are available to treat:
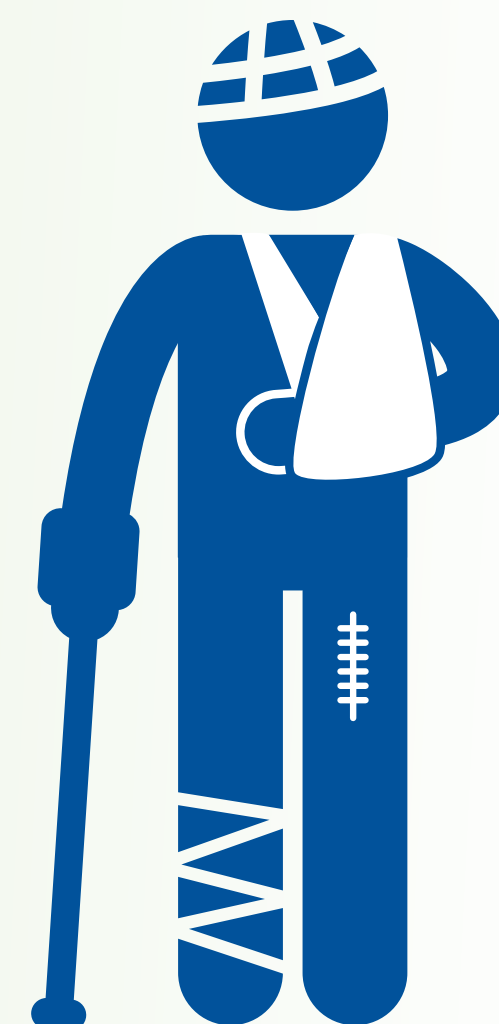

• Cold, flu, bronchitis or cough.

• Aches, pains or headaches.

• Fever or sore throat.

• Other non-life-threatening conditions.

## 🚑 EMERGENCY DEPARTMENT

Visit an emergency department or call 911 as soon as possible for these symptoms:

• Stroke or heart attack symptoms.

• Deep cuts or bleeding that won't stop.

• Behavioral health needs.

• Other life-threatening injuries or illnesses.

## PRIMARY CARE

Make an appointment with your primary care provider if you are experiencing any of the following symptoms:
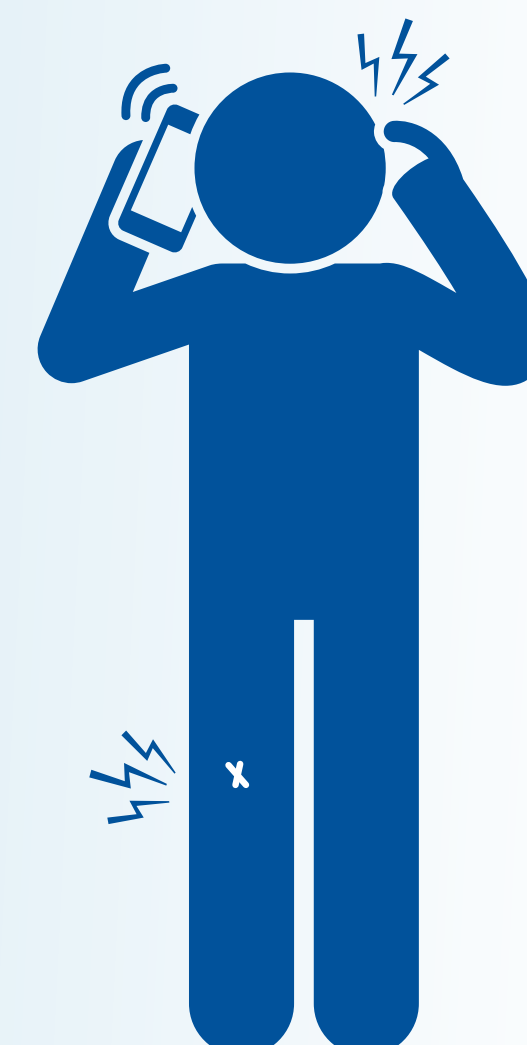

• Cold, flu, bronchitis or cough.

• Aches, pains or headaches.

• Fever or sore throat.

• Other non-life-threatening conditions.

## 📞 TELEHEALTH

If you don't want to leave home to treat minor medical conditions, telehealth is an option to address:

• Cold, flu, bronchitis or cough.

• Aches, pains or headaches.

• Fever or sore throat.

• Other non-life-threatening conditions.
