

Appointment Date: _____

Time: _____

LOCATION: Aultman Main Hospital: 2600 6th St. SW, Canton

DEPARTMENT: Imaging Services (Radiology). If your exam is scheduled for 3 p.m. or later, report to Aultman Heart and Vascular Center.

SUMMARY OF THE EXAM

A bone scan identifies and evaluates the breakdown of bones. A bone scan can detect a fracture or infection in the bone, arthritis, the presence of a tumor and/or spread of cancer to the bones.

WHAT TO EXPECT

After arriving for your appointment, you will receive an injection of tracer. There will be a two – three-hour waiting period to allow the tracer to travel throughout your bloodstream and into your bones. During the two – three-hour waiting period, you will need to drink plenty of fluids. You may leave the hospital during this time. When the three hours are over, you will return to the Nuclear Medicine department and have the bone scan. This will take approximately 45 minutes to one hour.

INSTRUCTIONS

- Please bring a written order from your doctor to the exam.
- Please bring a complete list of all your medications.
- Please bring a driver's license or other photo ID.
- Please arrive 15 minutes prior to your scheduled time.

NOTE: This scan involves the administration of radioactive materials. The scans are not routinely performed on women who are pregnant or breast feeding.

Blood work should always be drawn before X-rays are performed. If you are having blood work, please arrive early and inform the outpatient lab you have a radiology appointment.

LENGTH OF EXAM

Plan on being at the hospital *up to five hours*. The injection phase will take approximately 15 – 30 minutes. You will be asked to return in two – three hours. After returning, please plan on being in the department for 60 – 90 minutes.

AFTER THE EXAM

You will be able to eat and drink after the exam.

You should expect receive the results of your exam at your next health care provider appointment (if scheduled) or within 10 days of your exam. Please call your health care provider if you do not receive your results.
